

DELHI PUBLIC SCHOOL BALCO

20th September, 2020

Dear Parents

Greetings from DPS BALCO!

Hope you all are in good health.

The entire world is facing an unprecedented situation and we are no exception. But such situations only bring out the best in human character. We learn to come up with better solutions. The school systems all across the world are also trying the same. Almost everywhere online teaching has become a regular feature. The teaching without testing is incomplete. Therefore, we are now going to find out how well our students have understood the concepts being taught through the online teaching process.

We are sharing with you date sheet or time table for term assessment. We have given it a very good thought and after taking into account many factors, it has been prepared and finalized. We have tried our level best to make sure that families having more than one child do not get assessment on the same time. This is to ensure you that device and data is available for all children in the same family.

We will also be sharing with you the syllabus for midterm assessment shortly. Within a day or two you will also get the format of question papers. We will also provide you some practice assignments so that you can prepare your children accordingly.

आशा है कि विद्यालय के द्वारा किये जा रहे प्रयासों को आपका सहयोग मिलेगा। हमने पूरा प्रयास किया है कि एक समय में केवल एक ही कक्षा की परीक्षा हो ताकि एक परिवार के भाई-बहन किसी प्रकार की समस्या ना झेले। विद्यार्थियों एवं पालकगणों की सुविधा हेतु हम प्रश्नपत्र का प्रारूप एवं Practice Paper उपलब्ध करवायेंगे।
