

DELHI PUBLIC SCHOOL BALCO

27th September, 2020

Dear Parents,

We are nearing the end of September and school is getting ready for online half yearly exams. Unfortunately around 50% parents have not paid the first quarter fee so far. It has been made clear by the Supreme Court of India and at least a dozen high courts, including Bilaspur High Court that school fee has to be paid by parents even in the schools where no online classes are happening. The same has been acknowledged by Chhattisgarh government as well. You are, therefore, requested to pay the school fee at the earliest.

Please remember that running a school without fee collection will become impossible.

Those who lost their jobs or have no income due to COVID-19 can approach school for fee exemptions by submitting last two years IT returns and bank statements along with an affidavit. Based on scrutiny by a committee, exemption will be granted.

WE SEEK YOUR COOPERATION IN THESE DIFFICULT TIMES. We are grateful to parents who have already paid the fee and supported as faithfully.

The link to pay online fee is given here- <https://cutt.ly/Cd3EJ3Q>

PLEASE IGNORE IF ALREADY PAID.
